

ASSOCIATED BRITISH PORTS FLEETWOOD

NOTICE to MARINERS 42 of 2014

VHF radio frequencies

Mariners are hereby advised that some VHF Radio channels are going to stop being available in the next few years due to the requirements of digital frequencies.

The channels so far highlighted as affected are 21,22,23,24,25,26,84,85,86.

These will stop being available by 01/01/17. Companies affected will need to speak to Ofcom about alternative channels.

Captain Guy Lockwood
Harbour Master

28th October 2014

Owners, agents, charterers, fishermen and recreational sailing organisations should ensure that the contents of this notice are made known to the Masters or persons in charge of their vessels or craft.
