**RE: Gull Wing – Notice of Temporary Suspension of Navigation - Update**

Dear Sir / Madam

Suffolk County Council is the promotor of the Gull Wing project (formerly the Lake Lothing Third Crossing).

Further to previous Notice sent 9 February 2024, and taking account of works progress and the latest weather forecast, I wish to advise the following:

Confirmation that the commencement date for the 3-week temporary suspension to navigation in Lake Lothing is set to start on 8th March 2024, this date is subject to completion of final work activities and weather conditions. The Harbour Authority have been consulted and are in agreement with this date.

No passage of vessels within the order limits (dashed red line)

Yours sincerely

**Andrew Pearce**  
**Project Manager**
