

Port of Garston

NOTICE TO MARINERS No 006 of 2024

Dock Ladder Maintenance

NOTICE IS HEREBY GIVEN that from Tuesday 27th August to Approximately 6th September; essential dock ladder maintenance will take place in all three docks.

To facilitate this, we will aim to keep the dock level at approximately 7m outside of any high-water period.

Mariners are advised to contact Garston Docks on VHF channel 20 when entering the Garston Channel to seek current information regarding on going works.

This Notice Self Cancels at 2359 6th September 2024 as sufficiently promulgated, any further adjustments will be notified by way of a new Local Notice to Mariners.
